

Dear tennis friends from Mersch and the surrounding area,

The board of the Mersch Tennis Club, which has taken over the management of the club since 2021, is pleased to inform you that it will be possible for all members to continue playing tennis at our facility in the Rue des Près during the winter season.

This is made possible by a so-called "air dome" or "balloon". As you can see from the two photos, a structure filled with air is stretched over the two synthetic fields. Inside, the conditions are perfect, so that you can play tennis in any weather.

Because the demand for the use of such an infrastructure will certainly be high, we are offering our current members the opportunity to secure a TCM ARENA subscription 2021/2022 at a reduced price (- 10 %) in advance. This offer is valid until 1<sup>st</sup> September 2021, taking into account the date of transfer. After that, the normal rates apply.
